

Global Geothermal Energy Equipment Manufacturers

Dickow Pumps Australia Ltd

- **Business type:** manufacturer, exporter fluid handling systems
- **Product types:** Sealless Magnetically Coupled Pumps for geothermal energy system components, single & multistage, both horizontal & vertical pumps for cogeneration systems.
- **Service types:** Design, construction, installation, engineering, maintenance and repair services of Pumps
- **Address:** 6/126 Merrindale Drive, Croydon, Victoria Australia 3136
- **Telephone:** +61 3 9761 7880
- **FAX:** +61 3 9761 7881
- **Web Site:** <http://www.dickow-pumps.com>
- **E-mail:** Send Email to Dickow Pumps Australia Ltd

Adsorption Chiller

- **Business type:** manufacturer, wholesale supplier
- **Product types:** air cooling system components, biomass energy system components, cogeneration system components, energy efficient homes and buildings, fuel cell system components, geothermal energy system components, Solar cooling component.
- **Address:** P.O. BOX 820307, Houston, Texas USA 77282-0307
- **Telephone:** 281-404-5471
- **FAX:** 281-754-4383

Akasya BPV, Inc.

- **Business type:** manufacturer
- **Product types:** heat exchangers, biomass energy boilers, cogeneration systems, geothermal energy system components, hydro energy systems (large), wind energy system components (large).
- **Address:** Building 15 Gridley Road,, SRG, Subic Bay Freeport Philippines 2222
- **Telephone:** +63 2 633 3013

American Photovoltaics & Homes, Ltd.

- **Business type:** manufacturer, wholesale supplier, retail sales
- **Product types:** Environmentally Friendly & Renewable Energy Homes, energy efficient buildings, hydrogen power systems, alternative construction..
- **Address:** 5951 Riverdale Avenue-Suite 1199, Riverdale, New York USA 10471
- **Telephone:** (718) 548-0428

Ballew Tool Company

- **Business type:** manufacturer, service
- **Product types:** Geothermal drilling equipment, Banjo Boxes, Blooie Lines, Blooie line mufflers, Blowout Preventers and blooie line valves.
- **Address:** P.O.Box 361, Cobb, California USA 95426
- **Telephone:** 707-987-0837

Bard Manufacturing Company

- **Business type:** manufacturer
- **Product types:** Geothermal Energy Systems, Geothermal Energy System Components.
- **Address:** 1914 Randolph Drive, Bryan, Ohio USA 43506
- **Telephone:** 419-636-1194
- **FAX:** 419-636-2640

Cal Research, Inc.

- **Business type:** manufacturer, retail sales, wholesale supplier
- **Product types:** geothermal energy system components, steam calorimetry instruments .
- **Service types:** on-site testing
- **Address:** 4271 Dickersonville Road, Ransomville, New York USA 14131
- **Telephone:** 716-791-4206
- **FAX:** 716-791-4206

Changzhou Consol Energy Co., Ltd.

- **Business type:** manufacturer, retail sales, wholesale supplier, exporter, importer
- **Product types:** energy efficient homes and buildings, heat exchangers, appliances, portable power systems, geothermal energy system components, alternative home and building construction materials, solar energy water heater.
- **Service types:** installation, project development services, research services, architectural design services, maintenance and repair services, recycling services
- **Address:** Xianlong Industrial Park, Longhutang Town, Changzhou New Area, Jiangsu Province, Chang Zhou, Jiangsu China 213031
- **Telephone:** +86-519-5487985

ClimateMaster

- **Business type:** manufacturer, wholesale supplier, retail sales
- **Product types:** geothermal energy products, water source heat pumps, residential geothermal systems, commercial geothermal systems, geothermal system design software, geothermal earth heat exchangers, energy efficient refrigeration, air heating systems, air cooling systems.
- **Address:** 7300 Southwest 44th Street, Oklahoma City, Oklahoma USA 73179
- **Telephone:** 405-745-6000
- **FAX:** 405-745-6058

Consortium Manufacturing, Inc.

- **Business type:** manufacturer
- **Product types:** electric bicycle components, hybrid electric vehicles, fuel cell system components, electric scooters, meters and measuring equipment, geothermal energy system components, Precision sheet metal and machined parts fabricators for high tech industries.
- **Address:** 5730 West 108th Place, Westminster, Colorado USA 80020
- **Telephone:** (720) 244-5453
- **FAX:** 303-466-7165

ECONAR Energy Systems

- **Business type:** Manufacturer of ECONAR Geothermal Heat Pumps.
- **Product types:** ECONAR manufactures its heat pumps under the GeoSource brand name in four series: GeoSource 2000-Our most popular line. GeoSource DualTEK-Our combination unit. GeoSource Invision-Our top of the line product. GeoSource Vara-The variable speed blower from ECONAR. GeoSource Vara 2 plus-The variable speed blower and R-10a refrigerant. GeoSource Ultra-The latest and greatest hydronic heat pump utilizing R-410a refrigerant safe for the ozone layer. ECONAR also manufactures and brand some of its offered accessories that complement an installation: ECONAR PumpPAK-An earth loop pump package. ECONAR Geopipe-Branded polyethylene pipe. ECONAR GTF-Geothermal transfer fluid for closed loop applications. Air filters and Thermostats-made for ECONAR specifications..
- **Service types:** Geothermal heat pumps, HVAC heating and cooling.
- **Address:** 19230 Evans Street, Elk River, Minnesota USA 55330
- **Telephone:** 1-800-4-ECONAR
- **FAX:** (763) 441-0909

Eden Energy Equipment

- **Business type:** Distributor
- **Product types:** geothermal energy systems, geothermal energy system components, WaterFurnace distributor.
- **Address:** 71 Wyndham St. S., Guelph, Ontario Canada N1E 5R3
- **Telephone:** 519-821-8478
- **FAX:** 519-821-8491
- **Fairford North America**
- **Business type:** manufacturer
- **Product types:** soft starters with energy savings for motors and power factor correction.
- **Address:** 2018 N Durham, Houston, Texas USA 77008
- **Telephone:** 713-880-4575

FHP Manufacturing Company

- **Business type:** manufacturer
- **Product types:** Water Source and Geo Thermal heat pumps.
- **Address:** 601 N.W. 65th Court, Ft. Lauderdale, Florida USA
33309
- **Telephone:** 954-776-5471
- **FAX:** 954-776-5529

GEOSERVICES B.V.B.A

- **Business type:** manufacturer, service, wholesale supplier, retail sales
- **Product types:** geothermal energy products, water pumping products, heat pumps.
- **Service types:** system installation
- **Address:** Banmolenweg 49, Rijkvorsel , Belgium 2310
- **Telephone:** +3238279113
- **FAX:** +3238257573

GeoSmart Energy

- **Business type:** Branding and Distribution of Geothermal Heating Systems
- **Product types:** Geothermal Energy Systems, Geothermal Hydronic Radiant Heating Systems, Green "Geothermal Pipe", Geothermal Accessories.
- **Service types:** Consulting, Design, Training
- **Address:** 100E-101 Holiday Inn Drive, Cambridge, ON
Canada N3C 1Z3
- **Telephone:** 1-866-310-6690
- **FAX:** 1-866-533-3889

Geothermal Supplies Ltd

- **Business type:** manufacturer, retail sales, wholesale supplier, exporter, importer
- **Product types:** geothermal energy system components.
- **Address:** Redgate House, Burton Road, Fenny Drayton,
Nuneaton, Warwickshire United Kingdom CV10 0RY
- **Telephone:** +44 (0)870 609 1606

Mammoth Inc.

- **Business type:** manufacturer
- **Product types:** geothermal energy systems, geothermal energy system components.
- **Address:** 101 West 82nd Street, Chaska, Minnesota USA
55318
- **Telephone:** 612-361-2711
- **FAX:** 612-361-2700

Metex Corporation

- **Business type:** manufacturer
- **Product types:** cogeneration system components, hydro energy system components (large), air filtering and purification system components, geothermal energy system components, computer and electronic components, water filtering and purification system components, Seals, Breathers, Coalescers, Filters, Mufflers, Gaskets, Noise Attenuators.
- **Address:** 970 New Durham Road, Edison, New Jersey USA
08818
- **Telephone:** 732-287-0800

Stork H&E Turbo Blading, Inc

- **Business type:** manufacturer
- **Product types:** Stork H&E is an independent, aftermarket ISO 9001, AS 9000 certified, turbine blade manufacturer, operating in upstate New York
- **Service types:** manufacturing
- **Address:** 334 Comfort Rd, Ithaca, New York USA 14850
- **Telephone:** 607-277-4968 x292
- **FAX:** 607-277-1193 (attention: JW)

SunQest, Inc.

- **Business type:** manufacturer, retail sales, wholesale supplier, service
- **Product types:** water heating products, solar heating systems, photovoltaic modules (PV modules), photovoltaic systems, radiant floor heating systems, geothermal heat pumps, valance ductless cooling systems.
- **Service types:** system design

- **Address:** 1555 Rankin Ave, Newton, North Carolina USA
28658
- **Telephone:** 828-465-6805
- **FAX:** 828-465-7370

Superior Heat Pump Inc.

- **Business type:** manufacturer
- **Product types:** heat pumps, geothermal energy system components.
- **Address:** 1423 Ellis Street, Kelowna, BC Canada V1Y 2A3
- **Telephone:** (250) 868-1102
- **FAX:** (250) 868-1192

Termogamma SA

- **Business type:** manufacturer
- **Product types:** geothermal energy system components, heat pumps, water heating systems, taylor made refrigeration devices.
- **Address:** Via Industria, Biasca, Switzerland 6710
- **Telephone:** +41 91 873 97 66

Tomlinson Boilers Pty Ltd

- **Business type:** Repair & Maintenance, service, manufacturer, exporter
- **Product types:** Repair and Maintenance, 24/7 call out service provider. Gas /Oil fired package boilers, biomass energy boilers, biomass energy system components, geothermal energy system components, heat exchangers, hydro energy system components (large), wind energy towers and structures (large).
- **Service types:** design, construction, contractor services
- **Address:** 35 Archimedes Street, Darra, Queensland Australia
4076
- **Telephone:** +61 7 3375 1360
- **FAX:** +61 7 3375 1368

Tower Tech Systems, Inc.

- **Business type:** manufacturer
- **Product types:** wind energy towers and structures (large), wind turbines (large), wind energy system components (large), ocean energy system

components, hydro energy system components (large), geothermal energy system components.

- **Address:** 200 South 16Th Street, Manitowoc, Wisconsin USA 54220
- **Telephone:** 920-684-5531
- **FAX:** 920-684-5579

TRAK Canada

- **Business type:** GeoExchange HVAC and Controls
- **Product types:** commercial plumbing, air cooling systems, air heating systems, geothermal energy system components, geothermal energy systems, heat pumps, hydronic solar heating, hydronic radiant heating systems, energy-efficient lighting, building system controls. HVAC system resolution, problem solving, startup and commissioning..
- **Service types:** Division 15 GeoExchange based Design Build, Financing
- **Address:** 9025 Jim Bailey Road, Kelowna/Lake Country, British Columbia Canada V4V 1R2
- **Telephone:** 250.766.5040
- **FAX:** 250.766.4245

Warren Environmental Equipment Inc.

- **Business type:** manufacturer
- **Product types:** biomass energy system components, air filtering and purification systems, air filtering and purification system components, cogeneration system components, geothermal energy system components, heat exchangers, Air Pollution Control Systems.
- **Address:** 5075 Roswell Road, Atlanta, Georgia USA 30342
- **Telephone:** 4048438333
- **WaterFurnace Inc.**
- **Business type:** manufacturer
- **Product types:** geothermal energy systems, geothermal energy system components.
- **Address:** 9000 Conservation Way, Fort Wayne, Indiana USA
46809
- **Telephone:** 800-222-5667
